Mason & Company To Close

After two and a half years of trading, we have made the difficult decision to close our bar, Mason & Company. We opened our doors in June 2016 with a commitment to showcase and support independent food and drinks producers, and to run an awesome, welcoming, friendly, local bar. We're happy that we've done that! Over that time we have showcased some of the UK's best independent breweries, and welcomed tens of thousands of people through the door. We've run a wide range of exciting and innovative events, and celebrated all that is great about the UK craft beer and food scene.

Our passion and innovation were recognised this year when we were shortlisted as a finalist for the 2018 Great British Pub Awards

However there is no getting away from the fact that we opened Mason & Company in what has proved a challenging location. The difference in footfall and trade between summer and winter has been a story of extreme opposites. While during summer and for special events we have had some very busy weeks, sadly, during the majority of the year, outside the peak summer months, the footfall to the overall development and location has not been high enough to sustain a successful business in the long term.

The founders have given it our all over the past three years of project development, launch and operation and we have been ably supported by a brilliant team of staff from the outset. We have invested a tremendous amount of energy, passion, commitment, sweat, and a few tears along the way.

And so, with a heavy heart but with huge thanks to our awesome staff team, our regulars and all the small, independent drinks and food suppliers who have supplied and supported us, it has become time to move on.

THANK YOU!

N.B. We have closed the bar with effect from Friday 7th September. If you have any questions, or need to speak with us about anything at all in connection with Mason & Company, please email:
